Owen Ryan

IAS Executive Director

Owen Ryan is the Executive Director of the International AIDS Society (IAS), the world's largest association of HIV professionals. Previously, he was Deputy Director for Public Policy at amfAR, the Foundation for AIDS Research, a role in which he was responsible for policy and advocacy related to global health financing, new HIV technologies, and key populations. He recently completed his third term on the Board of the Global Fund to Fight AIDS, Tuberculosis and Malaria and is currently on the Board of the Elizabeth Glaser Pediatric AIDS Foundation. A former U.S. Peace Corps Volunteer, he has worked extensively on HIV/AIDS programs in Malawi, South Africa and Zimbabwe. His policy research has been published in the Lancet, Health Affairs, and other journals.
